

## NOVEMBER 2024- REPORT

**Human Aid Society Meeting.** 4<sup>th</sup> Nov 2024 (Monday) an important meeting of Human Aid Society was held at its head office Baramulla under the chair of the Chairman Human Aid Society. Apart from the fixed agenda various issues of the organisation were briefly discussed such as income, liabilities, ongoing FCRA projects, old age home and silver jubilee celebrations.

The members present in the meeting accepted the fact that this organisation had not celebrated its Annual Day due to some unavoidable circumstances for the past several years and added that it is an urgent need for the organization to celebrate its Annual Day as soon as possible, wherein the organisation will not only highlight its previous achievements and challenges through lectures and a Short Documentary films but also try to increase the support of the people/ Govt towards this organization.

The present members Unanimously took a decision in this regard and fixed 11<sup>th</sup> Dec 2024 (Wednesday) for its 25th Annual ceremony, it was also decided that since the people's government in J&K is in power and it is better and appropriate that we invite the public representatives of the government on the said occasion.

During this meeting, the additional recurring expenses of the established Old Age were also discussed in detail and the Vice Chairman requested the members to take the initiative to tackle the crisis on their own and requested them that every member should contribute us Rs 1,000 per month from his) her account to meet out these expenses to some extent, and in this regard the present members accepted his request and several of them on spot signed their HAS donation application forms and handed over the chair for which the chairman thanked all of them.
