

SEPTEMBER-2022

ARNIMAL VEGETABLE PROCESSING UNITS FOLLOW UPS

4th Sept 2022: Conducting the follow up the progress of **ARNIMAL** vegetable processing units which were recently started at village **TANTRAYPORA, SADARBAL and KRALWETH** a team of Human Aid Society led by Chairman HAS, Treasurer and office bearers took a detailed review of the progress of the work. The team felt that these aspirants have done extra ordinary work which is quite satisfying for organization as it has brought good results which was aimed before installing these units. However, they raised voice about the power back-up as there remain power cuts for which Chairman assured them that He will take this matter with the concerned funding agency.

A weeklong enhancement work shop for the aspirants at SKUAST Srinagar:

20th Sept 2022: Taking forward its steps under women empowerment initiative the projects which were earlier started as Vegetable processing units, in this regard Human Aid Society has managed to conduct a week-long work shop at **SKUAST Srinagar** for the aspirants who are running those units. In the workshop these aspirants will be able to make products like Tomato Puree, Sauce, Fruit Jams, and juices etc. at their own Centres. From every Centre four candidates were selected who will get the training and will act as master trainers. workshop was conducted by SKUAST Assistant Professor Dr. Rouf who gave training to the aspirants. **Dr. Farah Joint Director Extension Education SKUAST** got highly impressed and said this is her first experience that an NGO is empowering women folk by choosing the field of agriculture and horticulture. She also assured another training program will be conducted which will be fully sponsored by the university, besides every other possible support will be provided as well.
